Date: November 15, 2006
No. of Pages (Incl. Cover): 2Re: U.S. Patent Application Serial No. 09/818,400
FOR: *APPARATUS AND METHOD OF FACILITATING THE EXCHANGE
OF POINTS BETWEEN SELECTED ENTRIES***APPLICANT'S INTERVIEW SUMMARY RECORD**

On November 14, 2006, Examiner Lastra placed a telephone call to the undersigned to advise him that the recently issued Office Action on October 30, 2006 contained certain inadvertent errors and omissions and that the Examiner promised to withdraw the October 30, 2006 Office Action and, in place thereof, issue a new Office Action which would correct the omissions and errors of the October 30, 2006. In particular, Examiner Lastra indicated that in the course of preparing the October 30, 2006 Office Action, that an "Ikeda" reference had been inadvertently inserted along with a discussion of Ikeda into the October 30, 2006 Office Action and that such insertions needed to be removed.

The Examiner further indicated that the October 30, 2006 Office Action would be withdrawn and that the date for response would then be set by the issuance of the contemplated new Office Action. In regard to this application, the Examiner has in effect by his teleconference of October 14, 2006 withdrawn the outstanding Office Action of October 30, 2006.
